Ayushman Anupam

has successfully completed the online, non-credit Specialization

PyTorch Ultimate 2024 - From Basics to Cutting- Edge

Congratulations on successfully completing the "PyTorch Ultimate 2024" course! This certificate recognizes your dedication and mastery of PyTorch, from foundational concepts to advanced techniques. You have demonstrated proficiency in building and deploying complex AI models, including CNNs, RNNs, and GANs, and have gained practical experience through hands-on coding exercises and real-world applications. Your achievement positions you as a skilled PyTorch practitioner, ready to tackle cutting-edge AI projects and innovate in the field. Well done on this significant accomplishment!

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
